Bat Training - Delegates Application Pack

BatSound & BatScan Sound Analysis Course – 8th to 9th Sept 2010

We are pleased to offer you the above event, centred within Epping Forest, an excellent location for carrying out bat training events, which we have a strong association with.

This event offers a range of key learning opportunities for delegates wishing to gain a greater understanding of bat echolocation, the use of bat detecting equipment and in particular the analysis of bat calls (both echolocation and social calls) using BatSound and BatScan analysis software programmes.

Our presenters are all very experienced in delivering bat related training and this event is sure to be both educational and enjoyable.

Course Tutors: Neil Middleton, Laura Davis, Keith French and Andrew Froud

To book your place please email or telephone to confirm availability, then complete the Application Form, and send it to us with your deposit.
